Edit Bob or simply Bob Zombie is a mini boss found both in Minecraft and in Mod Lucky Block. It is a zombie wearing an enchanted diamond armor. His It's Peter. His relatives are Rob a zombie with the same spells and inherited armor. His mother's a giant and his father's a giant with a diamond armor like Bob. Whenever a Lucky Block Bob is used it can come out and lay eggs. Because of random spells and his high defense, he is very hard to kill and a shot of his sword will cause enormous damage so your best to leave him alone. peace. It is also a very dangerous type of Bob, known as Bobarmy, which lay eggs in groups 10 to 25, making them much more difficult to defeat. If you meet this bob horde, it is advisable to bring at least 5 enchanted gold apples. Strategy to defeat it [ ] Although it seems easy, it is not due to its high probability of having thorns on its enchantment equipment. The best way to defeat it are explosive, healing potion splashes, diamond swords, enchanted arches and good equipment as you could stay killed when you attack them without equipment. It is also advisable to have high spells over all the equipment, as this will help you avoid taking a lot of damage. However, there is a 10-35% of the possibility that does not have plugs on the equipment. This gives the player a easier attempt to defeat Bob.
