The gods and legends that surround them are always something that attracts many people to come and explore. Stories of divinity or myths are stories told since ancient times to explain strange phenomena of the world. Not only interesting stories for everyone to read, but also become titles for players to explore. Among the games of the gods, the most knowiest series is probably God of war - a game of the war of the Gods. This series has very successful on many different platforms, PCs, consoles, the handle console also has the presence of this series. On the PSP platform, following the success of the game A and A -A GOD of War: Chain of Olympus, - A and A -A GOD of war Game The market share: Ghost of Sparta A and A - was released, this game is no different from his older brother and became one of the very flight games, this game has great stories and gameplay for players to explore. Ultimate Graphics Experience: this game A - was released after the elderly, so it has much better graphics quality for players to experience. This game is considered by many critics to be one of the best games Qualification of the PSP for players to experiment. It still maintains the 3D graphic format, but its quality has been improved to bring a better experience for players. Discover the mystery of Kratos: if in the third part of the game, the player witnessed Kratos's death when they fight to destroy Zeus, this time, the battle is under the Atlantis palace. This Kratos came here to be able to find the mystery of his identity. Here, the players will learn about the identity of the warrior, where he will meet his mother to learn about his life. Use new weapons: in many previous games, the Kratos weapon was used to fighting that chaos blade. But this time, this sword is no longer seen in this game, the weapon used by Kratos to fight is the athena blade. This weapon is a new weapon added to players to experiment. Furthermore, there are many new magical powers for players to experiment. PanoramicovaD of War: Ghost of Sparta Ponticella The gap between the first and second God God, and is the second voice for the franchise on the PSP.VMSS4 platform rates this game: 5 / 5an essential for God of War players and PSP players, Ghost of Sparta offers an incredible round of Hack'n'Slash that defined the classic god of the war franchise! Loaded with Gore and a compelling story, follow Kratos on his journey through being the ghost of Sparta as he ruthlessly turned the street of him passed grabbing the enemies and solves the puzzles next to the iconic blades of chaos. The game offers information about what has happened between the transition of God of war 1 and 2, is the second entry into the PSP console followed by God of the war: Chains of Olympus. Danilnazim29 says: Kratos is a warrior who serves the Greeks of Olympus ... in front of the death, Kratos invited the God of war, Ares, who promised to serve if God would spare his men and provide the Power to destroy their enemies. JUC27 Rates This game: 5 / 5GOD OF WAR: Olympus chains is the second game of God of War PSP showing a personal part of Kratos's life combined with battles and also explains the story of how it has become a complete God from Transition of God's God to God of war 2. Page 2 God of War For Android PSSpsspPP (God of War Ghost of Sparta PSP ISO) was released in November 2010, and since its release, a lot of people loved the game.
